

Base model shown with added options

## Add to Your Bottom Line. Reduce Your Carbon Footprint.

The Wabash Acutherm Refrigerated Freight Body with EcoNex Technology is setting breakthrough performance standards. With up to 30% more thermal efficiency in a body that is up to 15% lighter, this is the stand-alone choice for bottom line growth.

### Features

- Seamless exterior enables smooth, full-wall decaling
- Stainless steel rear frame provides added durability
- One Piece Header System eliminates corner caps, increasing front wall strength
- Smooth, seamless interior liner for a consistently flat and brighter food grade surface
- Engineered to significantly reduce water intrusion for longer insulation life
- EcoNex manufacturing process and operational benefits support sustainability objectives

### Why EcoNex?

EcoNex is manufactured under environmentally-conscious processes and comprised of a foam-insulated core, encapsulated in a polymer fiber-reinforced shell with a protective gel coat surface. It provides unsurpassed improvement in thermal performance over conventional construction, prevents water intrusion and slows foam degradation. EcoNex ultimately extends equipment life, all while providing the benefits of its sustainable design.

## Specifications

WIDTH <small>(exterior)</small>	LENGTH <small>(exterior)</small>	HEIGHT <small>(exterior)</small>		
		91"	97"	103"
96"	16'	•		
102"	26'		•	•

- Available sizes limited by chassis type

One piece aluminum header system

Folding reefer steps

Stainless steel rear frame

Anti-microbial composite interior liner

E-track

Inverted "T" aluminum extruded non-slip floor

<b>Chassis Type</b>	<ul style="list-style-type: none"> <li>• Cab</li> </ul>
<b>Truck Body Type</b>	<ul style="list-style-type: none"> <li>• Insulated</li> </ul>
<b>Insulation</b>	<ul style="list-style-type: none"> <li>• 3" EcoNex - roof</li> <li>• 3" EcoNex - side walls</li> <li>• 4" EcoNex - front wall, floor</li> </ul>
<b>Front</b>	<ul style="list-style-type: none"> <li>• One-piece aluminum header</li> <li>• Extruded-aluminum radius vertical front corners</li> <li>• EcoNex wall design with integral reinforcements</li> <li>• Refrigeration reinforcement frame</li> </ul>
<b>Lining</b>	<ul style="list-style-type: none"> <li>• Seamless, anti-microbial composite walls, roof and front wall</li> </ul>
<b>Scuff</b>	<ul style="list-style-type: none"> <li>• 6" corrugated aluminum - sides</li> <li>• 6" smooth aluminum - front</li> </ul>
<b>Rear Frame</b>	<ul style="list-style-type: none"> <li>• Brushed/polished stainless steel</li> <li>• 7 ga steel threshold</li> <li>• 12 ga header and corner posts</li> </ul>
<b>Rear Door</b>	<ul style="list-style-type: none"> <li>• Medium-temp, insulated roll-up</li> <li>• Inside safety release and lockable hasp</li> </ul>
<b>Floor</b>	<ul style="list-style-type: none"> <li>• Inverted "T" aluminum extruded non-slip floor</li> <li>• Four integral Kazoo drains</li> </ul>
<b>Subframe</b>	<ul style="list-style-type: none"> <li>• 6" channel longsills galvanized</li> </ul>
<b>Roof</b>	<ul style="list-style-type: none"> <li>• EcoNex roof system</li> <li>• Seamless construction for a smooth interior and exterior</li> </ul>

<b>Interior Lights</b>	<ul style="list-style-type: none"> <li>• LED interior motion sensor dome light – hot wired</li> <li>• Sealed wire harness system</li> </ul>
<b>Exterior Lights</b>	<ul style="list-style-type: none"> <li>• LED clearance lights</li> <li>• Existing chassis tail lights</li> </ul>
<b>Bumper</b>	<ul style="list-style-type: none"> <li>• Pooched ICC</li> </ul>
<b>Warranty</b>	<ul style="list-style-type: none"> <li>• 1-year white surface and leaks</li> <li>• 3-year/36,000-mile limited bulkhead-to-bumper warranty</li> <li>• 5-year limited structural warranty (roof, wall and floor structure)</li> <li>• See our warranty policy for details</li> </ul>

### Options

<b>Front</b>	<ul style="list-style-type: none"> <li>• Refrigeration unit installation (single-temp)</li> <li>• Refrigeration unit access steps (4) with grab handle</li> </ul>
<b>Floor</b>	<ul style="list-style-type: none"> <li>• Extruded aluminum box-type reefer floor - smooth or non-skid</li> </ul>
<b>Side Doors</b>	<ul style="list-style-type: none"> <li>• Single-swing (36" x 73") with stirrup step and grab handle; forward and rear opening dependent on location – limited to one curbside on selected models</li> </ul>
<b>Scuff</b>	<ul style="list-style-type: none"> <li>• 12" corrugated aluminum</li> </ul>
<b>Cargo Control</b>	<ul style="list-style-type: none"> <li>• E-track</li> </ul>
<b>Liftgates</b>	<ul style="list-style-type: none"> <li>• Contact your representative for more information</li> </ul>
